The directions for teaching are given on the bottom of each page. The instructions are for the teacher to read and explain to the students.

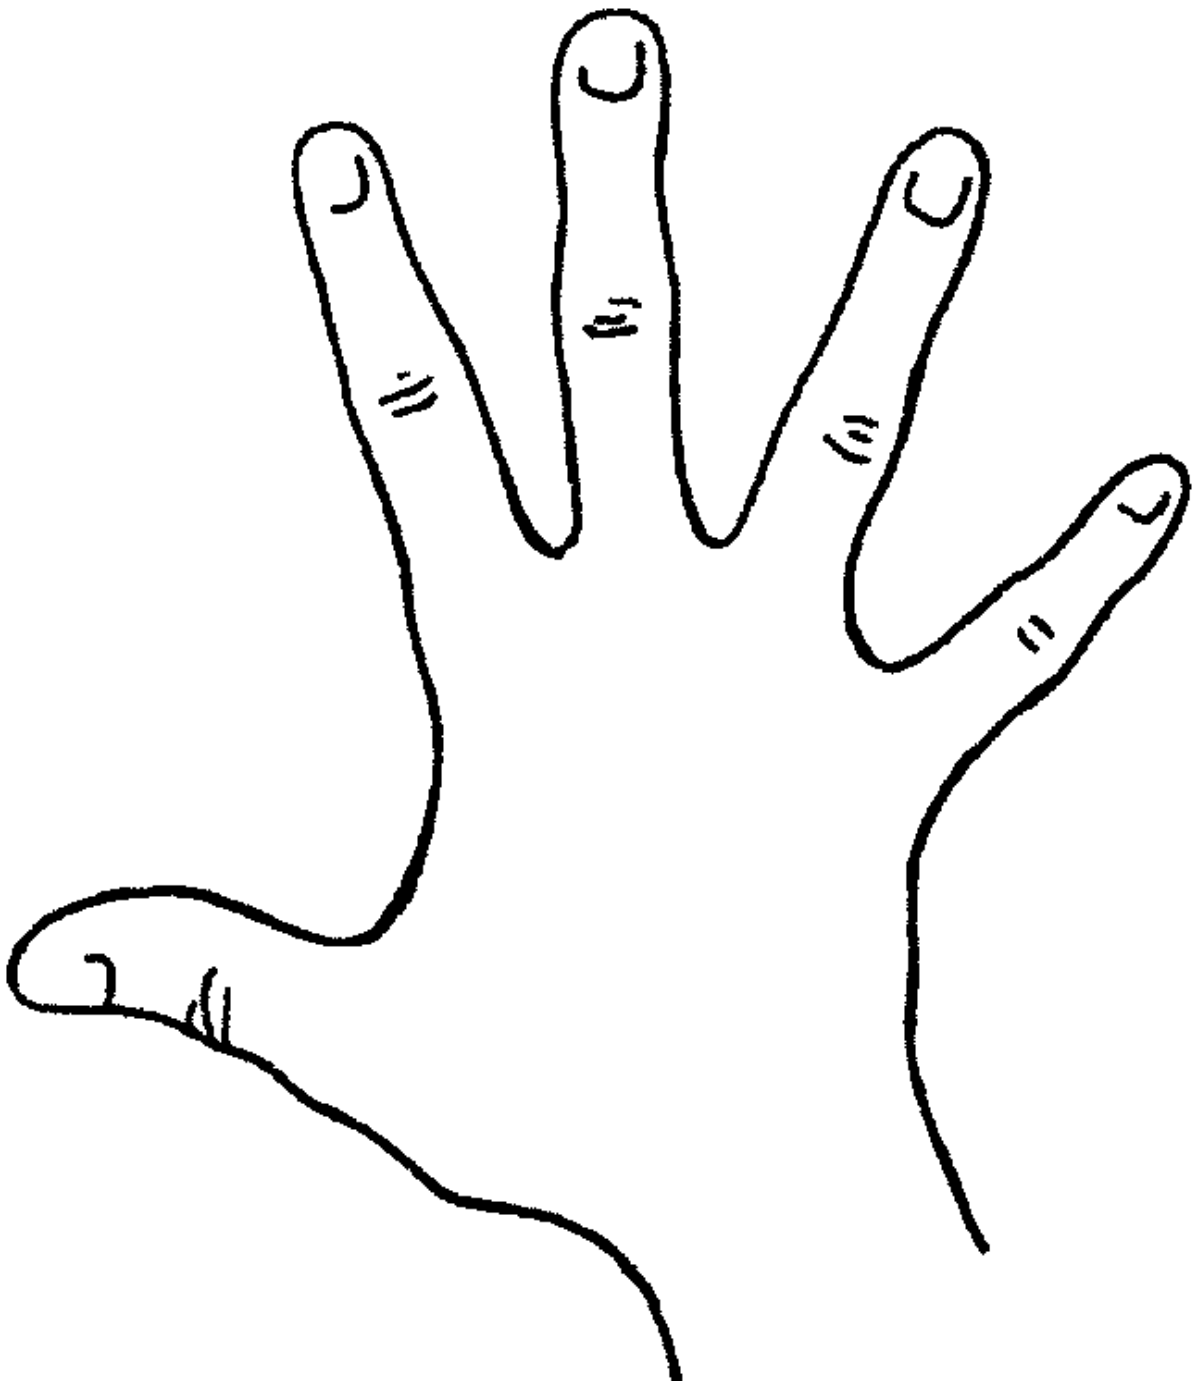

The directions are also given in English in the back of the book.

Never have the students read syllables or words found in the book if they can not identify the word from the picture. The words of the pictures are listed on the bottom so the teacher can help the students identify the pictures.

This Preprimer has been modeled after the Ayta-Mag-anchi Preprimer prepared by Margaret and Kurt Storck, and Marianne Chiong members of the Summer Institute of linguistics.
